Subject: eBay Deals, starting from \$1

Dear valued customer

We regret to inform you that if you did not re-update your account information your eBay account will be suspended for a period of 3-4 days and as result it will be terminated.
 and we also regret to inform you that if you don't re-update your account you have to register a new one and this will require a new registration fee.

For the User Agreement, Section 9, we may immediately issue a warning, temporarily suspend, indefinitely suspend or terminate your membership and refuse to provide our services to you if we believe that your actions may cause financial loss or legal liability for you, our users or us.
 We may also take these actions if we are unable to verify or authenticate any information you provide to us.

please [click here](#) and login to your account in order to re-update it .

Regards, Safe harbor Department eBay, Inc
 The eBay team.

2. La technique utilisée :

Ce cas de phishing est une variante de cas déjà reportés :

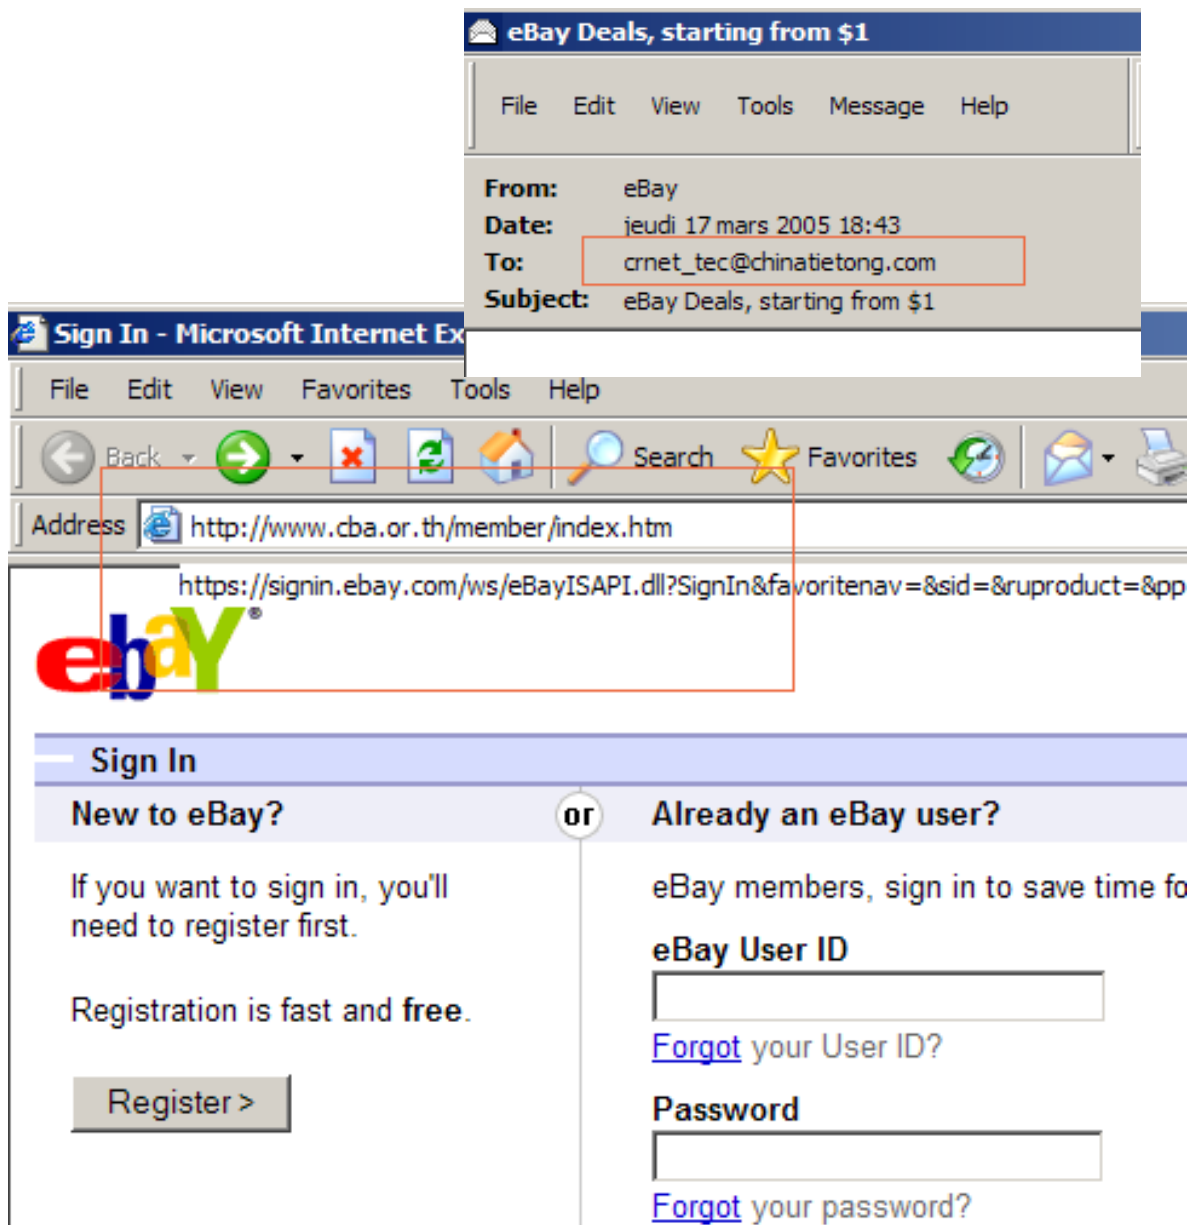

- eBay - 'Account Violate'
- eBay - 'Account Verification'

La technique est un lien “[click here](#)” vers un site :

<http://www.cba.or.th/member/index.htm>

3. Un cas de phishing visible :

- « Carbon copy » à un destinataire farfelu,
- Absence de clé SSL (icône zone sécurisée) pour un site HTTPS affiché.

4. Détection facilitée par la fréquence

Cet essai est devenu suffisamment fréquent pour être détecté par Norton :

5. Les actions engagées :

- La publication de ce document,
- Ce cas étant une variante d'un phishing bien documenté, il est inutile de le centraliser au niveau .org
