

Nouvelle vague de la tentative de phishing « Dear client of Regions Bank » :

Dear client of the Regions Bank,

Technical services of the Regions Bank are carrying out a planned software upgrade. We earnestly ask you to visit the following link to start the procedure of confirmation of customers' data.

<https://online.regions.com/ibsregions/cmserver/users/default/confirm.cfm>

We present our apologies and thank you for co-operating.
Please do not answer to this email – follow the instruction given above.
This instruction has been sent to all bank customers and is obligatory to follow.

Une description très complète est déjà présente sur le site :

<http://www.associatedwinners.com/phishing/regions.pdf>

Le nom de l'image jointe change :

« **!cid_part1.08040708.09090403@supprefnum4609@regions[1]** »
mais la technique reste la même soit un lien à cliquer.

L'absence de session sécurisée HTTPS trahit la volonté de phishing !
